Docket No. 98N-1265 99 APR 27 P1:58
Food and Drug Administration

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: The medication I receive from
Women's Health America is unavailable
elsewhere. I need this medication
desperately and plead with you to
allow this pharmacy to continue to make
it available to me.

Thank you
Phil Rotten
